

Volunteers Required!

Are you interested in spending a week on the banks of the beautiful Macalister River, caring for disadvantaged and deserving children aged 8-11 years old? Each year Licola Wilderness Village runs 4-5 Lions Sponsored Camps, these would not be possible to run without the support of amazing volunteers!

We are currently looking for volunteers (Must be 18 years or older) to come and experience the magic of these sponsored camps.

Training and support is provided as well as transport to camp, all meals and accommodation.

Developing young lives is a journey, not a destination and we'd love to have you on board!

Working with children checks: Volunteers who live in Victoria are required to have a current 'working with children check' Residents from other states/countries should comply with their states requirements with regard to volunteers working with children.

Camp 299: Monday 4th January—Friday 8th January 2021
